Objective

I am a MERN Stack developer mostly focused on backend development and active involvement in extracurricular activities, seeking to utilize my technical and leadership skills as an efficient Brand Partner.

Education

BSc. in Petroleum and Mining Engineering (In Progress - 3rd year)
Chittagong University of Engineering and Technology (CUET)

Technical Skills

- Frontend: React, Tailwind CSS, Bootstrap
- Backend: Node.js, Express.js
- Database: MongoDB, MySQL
- Version Control: Git, GitHub
- Tools: Vite, Redux, Redux Toolkit, Socket.IO
- Other: API Testing (Postman, Thunder Client)

Tech Certifications

- MERN Stack Development (Apna College)
- Networking Fundamentals (Akamai through UNDP Bangladesh and FutureNation platform)
- MERN Stack Development (Ostad)

Extracurricular Activities

SPE CUET Chapter - Social Media Chairperson *(July 2023 - Present)*

- Spearheaded social media campaigns to engage students and promote chapter activities.
- Led event promotion and marketing efforts for seminars, workshops, and networking events.
- Worked with student organizations and industry professionals to expand event reach.

CUET Sports Club - Tournament Organizer *(Sept 2022 - Present)*

- Organized sports tournaments, coordinating logistics and ensuring smooth execution.
- Promoted events and increased participation through effective communication and outreach.

Social Skills

Leadership: Led social media initiatives demonstrating leadership and organizational skills.

Team Collaboration: Proven ability to work collaboratively with various teams to ensure the success of projects and events.

Communication: Strong ability to connect with peers, engage audiences, and promote initiatives effectively.

Event Management: Experienced in coordinating multiple events, ensuring smooth execution.
